Worlds largest Christian Businessmen's Fellowship

TO WHOM IT MAY CONCERN:

As International President of the Full Gospel Business Men's Fellowship International (FGBMFI), we are always working with men of all temperaments. From Presidents of nations to church leaders to the man on the street we help lift people to the highest level.

Over the 20 years that I have known Mark Taylor I have always found him to be a man of outstanding principals and integrity.

He is a man who has a strong faith in God, and has positively affected the lives of many people.

Mark is a man of good moral character with a deep sense of service to others. He is one of our National and International trainers who has been successful in the training of our Chapters both Nationally and International.

Mark is also a National Director, and Regional Coordinator of the fellowship.

He is a loving and faithful husband and father. He has provided insight to me on many occasions. And he is one who flows with the anointing of the Holy Spirit. God has used Mark to touch the lives of many and he is an asset to our fellowship and me.

I have found Mark Taylor to be a man who loves his family, is an honest man with great integrity and concern for his fellowman.

Feel free to contact me if you have any questions.

Sincerely,

Richard Shakarian
International President
